

Welcome to future of academic writing with Paperpal!

Follow the steps below to activate your Prime access and take your writing to the next level.

1. Go to <https://paperpal.com/> and sign-up for a free account. Use your institutional email address if this is a requirement from your institution.
If you already have a free Paperpal account, then skip to step 2.
2. Go to <https://researcher.life/> (Paperpal's parent product) and sign in with your Paperpal registered email and password
3. After you're logged in, you'll be directed to <https://researcher.life/my-membership?pack=essential> .
If you're not automatically redirected please copy and paste this link in your browser
4. At the top of the page click on the link **"Have an activation code?"**

5. Enter the activation code provided to you by your institution and click on **'Submit'**

6. After the code is activated, you can return to <https://paperpal.com/> and use your premium Paperpal Prime services.
7. Tip: to get the most of your Paperpal membership install Paperpal for MS-Word. You can follow the instructions here <https://edit.paperpal.com/word-addin> In case your institution has restrictions for installing Word Add-ins, please contact your IT helpdesk.
